To our friends at the Wettones,

The Glamourhead Sharks would like to congratulate you on your twentieth anniversary. It is an amazing achievement and one that you should all be extremely proud of.

Over the past 20 years, you have provided the Sydney GLBTI community a forum for sport and social activity that is an alternative to the traditional club and bar scene. You have enabled swimmers to achieve their best and most certainly, through the existence of such a strong and social club, you have encouraged and enabled your members to exceed in areas far beyond the pool.

You have also given back to the masters swimming community through your annual carnival as well as the international community through hosting the swimming competition at the 2002 Gay Games (a huge undertaking you executed so well).

There is also no doubt you have given so much to the Australian GLBTI sporting community. The Glamourheads would like to thank you for being such a wonderful role model, one we have looked up to throughout the history of our club. You have given us the confidence to do certain things we never would have thought we could, from running our own carnival to taking our tops off at dance in bars. Thank you!

So on this momentous occasion, we want to wish you all the best and congratulate all those who have worked so hard along the way to take the Wettones to where you are today. To your talented committee, your coaches and of course, your even more talented swimmers, well done.

Happy birthday Wettones, with love from your always younger southern sister sister club,

The Glamourhead Sharks.
