Memberships

Currently we are sitting at 170 active members of the Wett Ones Swim Club. This is fantastic, and just shy of our largest membership numbers ever in our 30+ year history.

Having said that, the time to renew your membership with the Wetties is here again. There has been a \$10 increase to membership fees for 2023. The Committee held off from increasing prices during the pandemic, but felt it was now time to make this slight adjustment. Please follow the link below to renew your membership:

<https://mastersswimmingnsw.org.au/about/membership/>

This link will take you to the Masters Swimming NSW site – and you will see a large square tab called ‘Renewals & Updates’. Once you click on here you will be taken to the new membership portal – Swim Central. All of your data from the old portal will have been transferred over to Swim Central. If you haven’t logged into the new portal yet – it will ask you to set a new password, then you will be able to view your profile and get renewing. As we are using a new portal, there may be some teething issues, so please report any issue you experience, and to assist there is a ‘Swim Central Help Sheet’ attached to this month’s newsletter to assist you all.

Please remember that if you haven't renewed your membership by the 1st January 2023 – you won't be able to train or race with us until you have done so. Please reach out if anyone runs into any trouble – registrar@wettones.org

Thank you everyone, and we look forward to having fun with all of our members again in 2023.
